Education

Graduation

B.Tech Computer Science (AIML)

Manav Rachna International Institute of Research and Studies
2027 | 7.0

Senior Secondary (12th Standard)

Mata Kasturi Devi Senior Secondary Public School
2023 | 84%

Secondary (10th Standard)

Apeejay School Pitampura
2021 | 81%

Internships

DRDO – Intern

06/2020 - 08/2020

- Conducted research at DRDO (SAG) on Quantum Machine Learning (QML) for cybersecurity applications
- Implemented and evaluated QSVM and QKNN models on NSL-KDD and CIC-IDS datasets for intrusion detection
- Explored quantum-enhanced approaches for pattern recognition and classification tasks
- Analyzed model performance and contributed to experimental findings in a research environment

Training & Certifications

Certifications

- Microsoft Certified: Azure AI Fundamentals (2025)
- Oracle AI Vector Search Certified Professional (2025)
- Career Essentials in Data Analysis – Microsoft & LinkedIn (2025)
- Machine Learning Fundamentals – Infosys Springboard (2025)
- Artificial Intelligence Foundations: Machine Learning – LinkedIn Learning (2025)

Projects

God's Eye: AI-Powered OSINT Intelligence Platform

- Built a full-stack OSINT platform with real-time intelligence aggregation and tracking.
- Developed NLP pipelines for NER, threat classification, and relationship extraction.
- Implemented anomaly detection, entity resolution, and knowledge graph analytics.
- Designed REST APIs and WebSocket services powering a 3D globe-based dashboard.

BhuDhaal: Microbial Disease & Infection Heatmap

- Developed an interactive geospatial platform for disease and AMR risk visualization.
- Built heatmaps, outbreak timeline simulations, and location-based risk assessment tools.
- Created a Python data pipeline generating global pathogen intelligence datasets.

Skills

- Python (backend + software dev)
- Problem Solving
- Web Development
- Interpersonal
- Networking

Extra-curricular activities

- Coordinated logistics and on-ground execution for the university annual fest.
- Organized and managed multiple university and DSW events.
- Participated in community outreach initiatives, including blood donation drives.
- Volunteered at international events (FISU, SOB), supporting large-scale operations.

Achievements

- Selected as the LinkedIn Campus Ambassador
- Selected as the Student Placement Coordinator
- Selected as the General Secretary For Alumni Relations Council
